

What customers and visitors to poponin are saying.....

Hi Jess,

PoPONIN is a beautiful, very colourful and creative place. Jess and the people who help there are very kind, attentive and full of good ideas. Our guests enjoy their time at poPONIN and their crafts were often taken back home with them as good souvenirs and a memory of a well spent time. Altogether poPONIN is a great idea for a creative outing and gathering for our guests

many thanks

The girls were all kept entertained during the party and left with amazing goodie bags filled with their creations! I have never seen so much glitter being used!

Just a little note to say a very BIG THANK YOU for yet another fantastic school project comple ed. Two kids done in an hour and a half, no mess (in my house!), no fuss, just fun, fun, fun and lots of glitter!! Everything we needed for the "vision" was there, and we always get lots of helpful ideas to make it work.

Looking forward to next term's challenge.

We wish you all the best and every success for the future.

We loved coming here today, the boys painting dinosaur money boxes and we mad a brightly painted mug for dad to use at home. Enjoyed a lovely coffee whilst the children played. Thank you x Emma Louise

Hi Jess,

Jessica really enjoyed her party. They were happy and entertained and all enjoyed the sewing activity and making their badges. It was great to have the space to eat there and play some games too so a good mix.

Thanks for your help and for organising!

Jo

Dear Jess

I really enjoyed the crochet session with Deborah. It was very informative and I think I have gained a little confidence to hopefully progress a little further! Lovely, relaxed surroundings in which to spend a Monday morning. Thank you Jess.

Regards

Thank you so much for the well organised birthday party. The venue was fantastic and the choice of crafts was just perfect. Thank you also for tailoring things for all the children's ages including my 4 year old. She adores her fairy wand!

Ashana and her friends had so much fun celebrating her 9th birthday. The added extras (badges and sand bracelets) were a lovely surprise and the best thing was the girls had something to keep to remember the day. I know they all loved leaving their marks on the table tops too!

A huge thank you to the Poponin team,

Love

Hi Jess Thanks so much for yesterday- the girls (and Charlie!) all had such a great time. Thanks for the little extras – the Olaf was a hit, and the balloons – it was much appreciated. I will tell everyone I know with children to go in and get Crafty! Have a great weekend. Cathy (3/3/2016)

Dear friends, Wasn't that fun?

Thank you so hugely much for sharing a new birthday experience with me. Proves that we can enjoy being creative and a bit silly! And thanks to Jess for helping us to create beautiful things! It's on the mantel-piece. (2/3/2016)

Good Morning, Astraea had a lovely 6th birthday party and her friends really enjoyed it also. My favourite bit was the fact that everything was so relaxed and chilled. I have never had a cup of tea made for me at my kids parties before as I have been so busy rushing about. The fact I had time to sit and chat with parents as well as to interact with the kids was lovely. The children loved having bags, t shirts and badges to take away that they had designed themselves. Time flew and with no set up or clear up after, we left happy and relaxed!

Thanks again,

Hannah Si Sol and Astraea
